# Major Challenges

- ★ Challenge: Understanding and fulfilling assignment requirements especially when unclear
  - Solutions: Consult group members, re-read instructions, research, and check for updated instructions
- ★ Challenge: Figuring out what direction to take design components
  - Solution: Brainstorming a lot of different ideas and figuring out what worked and what didn't

# Lessons Learned

- ★ Start early on project assignments
- ★ Communicate clearly with teammates on work split and progress
- ★ Clarify work instructions when unclear
- ★ Try different ideas and adapt to changes
- ★ Research and learn when uncomfortable with task given
